Message From Chairman

It is my great pleasure to introduce MEP Enterprises is one of the leading building contractors. It had attained a strong reputation in the field of Electro-Mechanical contracting with excellent commitment, sustained growth and stability, professional management with high quality of work, on time and within budget.

We constantly make genuine efforts and put merited performance to match the construction demand and remain in reckoning. Also, we thrive in an environment where collaboration, individual accountability and technical innovation are challenged every day demanding new scenario and lead us to glory and a position of pride.

Our team of workers and professionals are among the best in the field and they are totally committed to a safety environment. We are proud of our past and work hard at making tomorrow even better.

Message From General Manager

MEP Enterprises has been established in the year of 2006. Within a short span of period we multitude our business activities to undertake medium and large scale Electro-Mechanical Projects with a high caliber. Our levels of operation are expanding widely in the construction field.

Whilst considering co-operation and partnership, to be the very foundation of our business, we endeavor to build long term relationships with clients. We surpass our client's expectations in all aspects of quality, value, innovation had resulted reliability and integrity in every phase.

We venture to accomplish our dreams and goals to bring greater effulgence in the construction arena.

Company Introduction

MECHANICAL ELECTRICAL PLUMBING Enterprises W.L.L (MEP) is one of the Premier Engineering Solutions provider and Project Specialists. Founded in the year 2006, MEP offers Engineering Solutions mainly to Electro-Mechanical Activities.

MEP Enterprises W.L.L is holding KAHRAMAA Grade "A" License No.1051 and also holding the CIVIL DEFENCE Grade "A" License Ref. No.363. Over the years, MEP has built-up a substantial reputation and is actively engaged in Turnkey projects in areas such as Electro-Mechanical works comprising HVAC, Plumbing & Drainage, Fire Fighting/Protection and Electrical including Low Voltage systems.

The Company has already undertaken steps to implement I S O – 9001 Certification for its projects business. Besides, Doha-Qatar MEP started its operations in the Kingdom of Saudi Arabia. MEP is also planning to expand its operations shortly in the United Arab Emirates and Cyprus.

We are a Mechanical & Electrical lead Engineering Contractor and have worked on a number of significant projects like Substations for Ministry of Interior, Qatar Foundation, Qatar Petroleum, NDIA, Intercontinental Hotel, Multi-Storied Buildings, Hypermarket and Palaces etc.

Our Mission

- ▶ To be a leader in Electro-Mechanical works in the global market.
- ▶ To become the customers' most preferred choice by attaining excellence in quality and timely completed value added projects.
- ▶ To continually innovate, develop and adopt state-of-the-art technology in methods and materials to enhance productivity and cost effectiveness.

Our Vision

- ▶ To be the top-most leading Company renowned for Excellence, Quality, Performance and Reliability in Electro-Mechanical works in the global market.

Commitment To Quality
